

PROJECT REFERENCE SHORT-LIST

No	End User	Project	Product	No. of units used	Industry
1	China Central Television Studio	HVAC Systems	ulli-5 to ulli-200	960	Broadcasting and Media
2	Beijing Olympic Games Facilities	Man-Made Environmental Control	digicon-5 to digicon-200	2800	Public Infrastructure
3	Shenzhen & Guangzhou Metro	Smoke control dampers and chilled water valves for metro systems	ulli-10S to ulli-200S	1600	Urban Rail and Transportation
4	PetroChina & Major Petrochemical Enterprises	Tank, loading arm and pipeline isolation valves for hazardous media	ulli-10EX, ulli-25EX	830	Oil & Gas
5	Huaneng Electric Power thermal power plants	Desulfurization and cooling system valve automation	ulli-5 to ulli-200	700	Power Generation
6	Shenzhen Tap Water Group	Water treatment process valve automation	ulli-10 to ulli-200	300 per year	Water & Utilities

7	Chenming Paper	Steam and process water control valves for papermaking lines	ulli-10R to ulli-400R	3000 per year	Pulp & Paper
8	Mingzhu Ball Valve	Industrial ball valves OEM	ulli-10S to ulli-200S	2300	Valve Manufacturing
9	Benxi and Anshan Iron and Steel	Cooling water, gas cleaning and process valves in steel plants	ulli-10EX, ulli-50EX	630	Steel & Metallurgy
10	A cruise shipyard (name withheld)	Valve control solutions for cruise vessel systems	ulli-5S, ulli-10S	2000 per year	Shipbuilding
11	A naval shipyard (name withheld)	Guided missile destroyer	ulli-10, ulli-25	52	Naval & Defense Shipbuilding
12	A baijiu distillery in Northern China (name withheld)	Process water, steam and utility control valves for baijiu production lines	ulli-10 to ulli-200	4600	F&B

Note:

1. Due to confidentiality agreements, some customer names cannot be disclosed.
2. This list is not exhaustive. Most of our products are supplied through distributors, and in such cases, the specific end users and applications are not always known to us and are treated as customer confidential.
